Homework Assignment 2, Part a

Due: Thursday, October 7, 1999

Reading:

Section 5.1 and Chapter 6 of *Distributed Algorithms*. Skim Chapter 7.

Problems:

1. Exercise 6.24.
2. Exercise 6.28.
   Note: To do this exercise, you will have to read Section 6.3.4 on your own; we don't plan to cover it in lecture.
3. Exercise 6.42.
   Clarification: The network graph is *complete* as in Sections 6.2 and 6.3.
4. Exercise 6.45.
